ShelterCoat™
Custom Garage Program

Build your Own All-Season Shelter
Thousands of options to custom fit your storage needs.

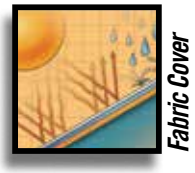

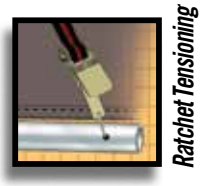

Strong, Sturdy & Durable

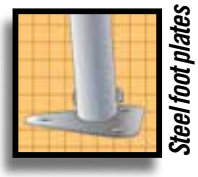

- Patented ShelterLock® frame stabilizers at every rib connection for rock-solid strength.
- Frame constructed of heavy duty 19-gauge steel.
- Premium powder coat finish protects frame from corrosion and rust.
- Ripstop-tough advanced engineered polyethylene fabric cover protects what's within from the elements.
- Seams are heat welded, not stitched; 100% waterproof.
- Ratchet tensioning system and Easy-Slide cover rails keep the cover smooth and taut.
